AN ENVIRONMENT OF RESPONSIBILITY

BY: **BW HOTELIER**

BW HOTELIER'S Conclave on Responsible Hoteliering, part of its ongoing series of events catering to the Indian hospitality industry took place on December 5, 2016 at The Park New Delhi.

The theme of the Conclave was Minimising The Carbon Footprint of Hotels While Maximising Productivity.

The event, saw a variety of topics being discussed from the

hospitality industry's approach to Corporate Social Responsibility to how to take Green Technology a step further to reduce the industry's environmental impact, saw animated discussions and a full house sitting through a day of action packed sessions.

The day which began with a session on The Basics First: The Essential Mantras of Responsible Hoteliering, also saw a keynote address being delivered on What the Hospitality Industry

1. Anurag Batra, Chairman and Editor-in-Chief, BW Businessworld giving the opening address at the conclave. **2.** Sanjay Sharma, Market VP, North India, Marriott International giving the keynote address. **3.** (L to R) Bikramjit Ray, Executive Editor, BW Hotelier moderating a session with Hotelier Puneet Singh; Zubin Songadwala, GM, ITC Maurya; Sudhir Mishra, Founder and Managing Partner, Trust Legal, India's Leading Environment, Health & Infrastructure Law Firm; and Rohit Arora, Area General Manager, The Park New Delhi. **4.** Nitin Sabikhi, Senior Manager, Business Development (Indian Energy Exchange Limited) making a presentation at the conclave.

Can Do to Reduce Our Planet's Toxic Overload.

Some of the other sessions which kept the audience engrossed discussed topics ranging from Be The Change: How Responsible Hoteliers Can Become Agents of Social Transformation; The HVAC Challenge: How Does the Investment in Green Technologies Pay Off? And Kitchen United to Detoxify Our Environment: Towards Carbon-Neutral, Sustainable Menus

The full day event saw people as varied as environment lawyers, green technology experts, GMs, chefs and owners, all reach a kind of concord on what was required for hotels to really lead the way in making the industry more responsible both socially as well as environmentally. The sessions can be seen on <http://bwhotelier.businessworld.in/all-videos/>.
